

Highlights of South Africa

South Africa is a large, diverse and incredibly beautiful country. The landscape varies from the picturesque Garden Route towns of the Western Cape to the raw stretch of subtropical coast in northern KwaZulu-Natal. The north-eastern provinces, Mpumalanga and Limpopo, will take your breath away with their game rich parks and diverse African culture. South Africa is also one of the great cultural meeting points on the African continent – a fact obscured by years of enforced racial segregation. Today a radiant mixture of culture and people manifests in the big cities of this labyrinth – South Africa.

Day 1 (Main Tour / **Module 1**)

GAUTENG (JOHANNESBURG/PRETORIA REGION)

Welcome to South Africa! You can arrange to be transferred to your hotel to freshen up after your long flight. We have an optional Pretoria or Soweto City tour available to start your journey in South Africa (please pre-book these if you wish to do one or both).

Module 1: At 19:00 a briefing will take place in the hotel's lobby for all participants.

Optional Activities (NOT included)

1. Pretoria – Captivating Capital

Pretoria/Tshwane is the administrative capital of South Africa. Also known as the Jacaranda City, its true beauty can be seen during spring when hundreds of flowers cover the streets in a purple blanket.

Our excursion starts with a visit to the Union Buildings, administrative seat of government in South Africa. The legacy of Paul Kruger awaits us a few streets further away where we will visit his house (museum) and make a

quick stop at Church Square, with its historic buildings and imposing monuments. The Voortrekker Monument is a must-see for all visitors and provides a fascinating insight into the lives, fears and dreams of early European pioneers in South Africa.

2. Soweto Snapshot

Soweto is the melting pot of South African cultures and the focal point of political transformation. It is the most metropolitan township in the country and houses over a million people. Soweto is dynamic and vibrant, and its people have been setting trends in music, fashion and culture.

Visiting the township will reveal a world that suffered under harsh political turmoil but also radiates rich cultural and political auras. This tapestry makes a fascinating encounter with the people of Africa.

Our journey starts at the Chris Hani Baragwanath Hospital at the entrance to

Soweto where-after we will visit the Hector Pieterse Museum and Nelson Mandela's previous home. We will also go to the Walter Sisulu Square of Dedication (Freedom Square). En route we pass the famous Regina Mundi Church as well as Winnie Madikizela-Mandela's current home. Desmond Tutu's home is also on the map.

Day 2 (Main Tour / Module 1)

PRETORIA – GREATER KRUGER

We drive via the Panorama Route to the Limpopo Province to our lodge in the Greater Kruger area. Prepare yourself for a truly unforgettable two-night stay.

On the way we visit Bourke's Luck Potholes, a natural water feature that marks the beginning of the Blyde River Canyon. Through countless eons the swirling whirlpools which occur as the Treur River plunges into the Blyde River caused waterborne sand and rock to grind huge, cylindrical potholes into the bedrock of the river.

Day 3 (Main Tour / Module 1)

GREATER KRUGER

This hot area experiences summer rainfall, but the rainy season is never guaranteed to bring as much rain as is needed, and droughts are sometimes experienced. It is dryer here than further south, and animals can often be seen at the waterholes. The winter days are normally bright and clear with cold evenings.

Partake in the morning's optional activity or relax around the lodge's pool. In the afternoon an inclusive game drive conducted inside the nearby Manyeleti Game Reserve is done by your guide from the comfort of the air-conditioned vehicle.

Dinners are for your own account, but a boma dinner experience will be presented around a campfire on one of

the evenings – weather permitting.

Optional Activity (NOT included)

A morning open vehicle game-drive or game-walk or combination of the two inside the nearby Klaserie or Manyeleti reserves is optional and at an additional cost.

Day 4 (Main Tour / Module 1)

KRUGER PARK

On day four we enter the Kruger National Park for a full day of game viewing from the comfort of our air-conditioned touring vehicle.

Kruger National Park

The Kruger National Park (covering almost 2 million hectares) will give you the true African experience within minutes of entering it. The park was built to protect the wildlife of the South African Lowveld and now houses 336 tree, 49 fish, 34 amphibian, 114 reptile, 507 bird and 147 mammal species.

Optional Activity (NOT included)

A night game drive is optional and at an additional cost.

Day 5 (Main Tour / **Module 1)**

KRUGER PARK – SWAZILAND

South Africa is known for its enchanting sunrises. To make your experience all the more enthralling we have arranged a morning game drive (air-conditioned vehicle) in the park before heading off to the tiny landlocked kingdom of Swaziland. Our base for the next two nights is Mlilwane Sanctuary (if available). Many visitors have marked this as the highlight of the Ezulwini Valley. You can experience the Swazi way of life by sleeping in a traditional beehive hut (chalets are available on request).

NB: Passports are necessary at the Swaziland border post!

Day 6 (Main Tour / **Module 1)**

SWAZILAND

Today you can enjoy this tranquil reserve by walking, cycling or even horseback riding amongst the many giraffe and antelope. If you prefer a more relaxing day, watching hippos from the bar should keep you entertained. The more adventurous can climb to the top of Nyonyane – the “Execution Rock”. There is also a choice between numerous optional activities at Mlilwane like game drives; game walks; cycling; hiking; horse riding, etc.

Optional Activities (NOT included)

1. Nyonyane

Nyonyane Mountain has an exposed granite peak known as the "Rock of Execution". Nyonyane is where ancient San people once lived and where Swazi royal graves are situated. The mountain has historical significance and all visitors will be delighted by the mountaineering opportunities. The climb will definitely be worth your while because the view will make you dizzy with its natural beauty and impressive height!

2. Horse Riding

The Kingdom of Swaziland's Big Game Parks brings you an exciting mixture of wildlife, adventure and culture whilst comfortably snuggled in your saddle. A fascinating combination of experience, habitats and scenery is what makes these trails so remarkable. Join us and let us take you where eagles fly!

3. Mountain Biking

Mountain biking in Mlilwane is a popular activity. Mountain bikes can be hired on an hourly basis accompanied by a Swazi field guide. Guests with private bikes may cycle without a guide, sticking strictly to the trails and roads (at no additional fee). Mlilwane's mountain biking can be a gentle hourly ride along the plains, or a 3-4 hour mountain bike trail taking you into some of the most beautiful mountains of Swaziland.

4. Cultural Tour: Umphakatsi Chief's Homestead Visit

The Umphakatsi Chief's Homestead visit is a hands-on interactive experience of the neighbouring local lady chief, Inkhosikati, in her homestead – a very real glimpse of Swaziland's culture that will leave you with a newfound respect and basic understanding of the Swazi way of life. Your guide, who will hand the ladies in your party traditional Swazi cloths (Emahiya) to wrap around their waists, greets you at the main gate, from where the homestead is a short drive and little further walk.

Before entering the Inkhosikati's homestead (Liguma), you are requested to remove your shoes. On entry, the Inkhosikati and the village children, often wearing traditional clothing, will warmly welcome you. The standard Swazi greeting to the Inkhosikati is "Yebo Nkosi".

The Inkhosikati has a vibrant, energetic and infectious mannerism and talks you through how the huts and traditional items are made and teaches you the Siswati words for them. The Inkhosikati encourages interaction; so ladies, try your hand at grinding maize and plaiting mountain grass. Gents, join the children in Swazi song and dance. An offering of a taste of local food and sometimes brew is made, but forget about your cutlery and try it the Swazi way... with your hands! This experience is both informative and memorable – a taste of true Swazi hospitality – and should not be missed!

DAY 7 (Main Tour / Module 1)

SWAZILAND – ST LUCIA

We depart for St Lucia in the morning. In the afternoon you can enjoy one of the following optional activities:

Optional Activity (NOT included)

In the afternoon you can go on a boat cruise on the Greater St Lucia Wetlands and Lake St Lucia – a world heritage site. The tour takes approximately 2 hours from the mouth area near Honeymoon Bend to the second narrows. This environmental life link connects the Lake to the Indian Ocean. It serves as a highway providing a migratory route for a variety of organisms of which the hippopotami and crocodiles are the most popular.

DAY 8 (Main Tour // Day 1 of Module 2 – starting in Durban)

ST LUCIA – DURBAN

Module 1 participants:

Enjoy an early morning game drive in your air-conditioned vehicle in the Hluhluwe-Umfolozi National Park – the best place in the world to see both Black and White rhinos. The Hluhluwe-Umfolozi National Park is the oldest park in South Africa. Set in the heart of Zululand, the Big 5 can be found here and thus game viewing is one of the park's

main attractions.

Continuation to Durban, where Module 1 participants will say goodbye to participants continuing with the second module, and where Module 2 participants will meet up with the group for the start of the next module.

Module 2 participants: At 19:00 a briefing will take place in the hotel's lobby for all participants.

Day 9 (Main Tour // Day 2 of Module 2)

DURBAN – DRAKENSBERG

We drive to one of South Africa's most beautiful mountain ranges. The Dutch word "Drakensberg" means "mountain of dragons" and the 200-kilometre-long mountainous wonderland is also a world heritage site.

Day 10 (Main Tour // Day 3 of Module 2)

DRAKENSBERG

Today you can hike in the surrounding mountains or join an adrenaline-pumping 4x4 route through the Sani Pass into Lesotho (optional if our accommodation is situated in the Southern Drakensberg region). This excursion is highly recommended!

Optional Activity (NOT included)

Sani Pass 4x4 Route

The Sani Pass is the only road-link between KwaZulu-Natal and the mountain kingdom of Lesotho. The 4x4 adventure will take you into another world – the land of the People of the Blanket. Starting at 1540m above sea level you will follow the deep valley incised by the Mkhomazana River to breast the summit at 2873m – with almost 1000m climbed in the last 8km of your trip in our 4x4 vehicles.

If names like Ground Woodpecker, Orange-breasted Rockjumper, Drakensberg Siskin, Gurney's Sugarbird, Bearded Vulture, Mountain pipit, strike a response in you, then you will know that this is an important site for avid birdwatchers.

NB: For this activity, passports are necessary at the Lesotho border post!

Day 11 (Main Tour // Day 4 of Module 2)

DRAKENSBERG – PORT ST JOHNS

We will continue to the quaint wild coastal town of Port St Johns. The town is set at the mouth of the Mzinvubu River and surrounded by dramatic hills and grasslands. The drive really is beautiful, so be sure to keep your camera within reach.

Day 12 (Main Tour // Day 5 of Module 2)

PORT ST JOHNS – HAGA HAGA

Haga-Haga has a spacious beach at the small river mouth. It lies between East London and the Kei River and is safe for swimming. The coastline is rocky and offers fishing and interesting hiking opportunities.

Day 13 (Main Tour // Day 1 of Module 3 – starting at the hotel near Addo)

HAGA HAGA – PORT ELIZABETH & GREATER ADDO

Module 2 participants: We drive to Port Elizabeth, where clients leaving this module will say goodbye to other participants in town, before the rest of the group continues to the hotel.

Module 3 participants: Make your own way to the hotel, where a briefing will take place at 19:00 in the hotel lobby.

Depending on your time of arrival at the first hotel for this Module (normally Zuurberg Mountain Inn), we recommend that you do one of the following optional activities (to be pre-booked if possible):

Optional Activities (NOT included)

1. Open-vehicle Game Drives

Game drives take approximately two hours and are conducted by knowledgeable, qualified guides in open-top landrovers or trucks.

2. Elephant Back Safaris

Appreciate nature from an elephant's perspective. Walking besides these gentle giants will allow you to observe the elephant's habits in their natural surroundings. This safari experience is about learning and becoming familiar with one of Africa's most stately, intelligent mammals - the African Elephant. It is an adventure of relaxed interaction with the elephants, enjoying the beauty of the area and of getting acquainted with these gentle giants in a meaningful way. Standing between them, surrounded by them, being touched by them, scented by them, being nudged and gently pushed at by them, feeling their curiosity and their trust, is to feel a oneness at an emotional and visceral level which is immensely elevating and yet, somehow, disquieting. There is a sense of reaching back, in some strange way to common origins and a shared heritage. You will take away memories that will stay with you forever.

Day 14 (Main Tour // Day 2 of Module 3)

GREATER ADDO – PLETTENBERG BAY

Deep within the shadows of the dense valley bushveld of the Sundays River region of the Eastern Cape lies the Addo Elephant National Park. Safe from relentless persecution in the past, the grey leviathans of the bush now roam in peace. The park houses more than 450 elephants. At the end of 2003 lion and leopard were also introduced. Addo is a Big 5 Game Park.

A morning game drive (from the comfort of our air-conditioned touring vehicle) is included in this park before our departure for Plettenberg Bay.

En-route to Plettenberg Bay we will stop at the Tsitsikamma National Park, where entrance is included for a short visit (time permitting). The park was established in 1964 and is South Africa's only marine reserve.

Day 15 (Main Tour // Day 3 of Module 3)

PLETTENBERG BAY

We start the day by taking a stroll in the picturesque town of Plett (as the locals call it).

Optional Activities (NOT included)

1. Dolphin and Whale Viewing

Dolphin and whale viewing options range from approximately 2 hours to a full day of viewing. The whale season is more or less from June to November.

2. Township Tour

The duration of the trip is one hour, and a tour guide will tell you more about the history of Golweni. The tour is on foot and you will get the chance to go into one of the houses to see how the people live. You can go to the African guest house to meet bead ladies and buy handmade African jewellery to take home. All the money earned through township tours help us to help the people in the village financially. All money goes directly back to the community to fund projects like the soccer program for children after school hours and weekend.

3. Game-viewing at Buffalo Hills

You could also choose to do some further game viewing (your last chance on this tour) by taking part in a 4x4 safari or guided game walk in the nearby Buffalo Hills Reserve.

4. Tsitsikamma Canopy Tours

An activity for the adventurous at heart: Enjoy the unequalled beauty of the indigenous forest high up on ten treetop platforms. Gently glide along in a harness along, on steel cables 30 meters above the forest floor. Birdlife is abundant (including Knysna Loeries and the elusive Narina Trojan), and your guides will explain the ecology of the lush primeval forest. Safety is paramount, and the system has been built to the highest civil engineering standards.

5. Monkeyland and Birds of Eden

Monkeyland is the world's first free roaming multi-species primate sanctuary and has as one of its aims, to create awareness about the plight of primates and to show that with a greater understanding of our primate cousins, we can all live in harmony.

At Birds of Eden, the Garden Route's own world-class free-flight bird sanctuary just next doors, a unique two hectare dome (the World's largest) spans over a gorge of indigenous forest.

Day 16 (Main Tour // Day 4 of Module 3)

PLETTENBERG BAY – OUDTSHOORN

Today we visit Knysna and the Heads before heading to Oudtshoorn – the ostrich capital of South Africa. Be sure to charge your camera's batteries because the landscape is awe-inspiring!

Day 17 (Main Tour // Day 5 of Module 3)

OUDTSHOORN

Cango Caves & Ostrich Farm visits

Late morning we head off to the renowned Cango Caves, located at the foothills of the Swartberg range. The caves are one of the country's finest, best known and most popular tourist attractions. Although the extensive system of tunnels and chambers go on for over four kilometers, only about a quarter of this is open to visitors, who may proceed into the cave only in groups supervised by a guide. Before time catches up with us, a visit to an ostrich farm is also on the itinerary. Here you will learn everything about the industry built around this peculiar bird.

Optional Activities (NOT included)

1. Swartberg Mountain Pass Explore

A sundowner and/or sunrise trip up the picturesque Swartberg Mountain Pass will allow you to experience the plant and animal life and learn more about the geology of the mountain and the history of the pass.

2. Cango Valley Explore

A Cango Valley circular route will allow you to explore the unique plant life (such as Aloe and succulent species) as well as the birds and the geologically impressive Redstone Hills.

3. Night-Sky Explore

In the hands of your skilled guides, and under starlit Karoo skies, you will experience a life-changing and spellbound one hour "tour" through the Southern Hemisphere's Celestial "High Five". Learn more about the most prominent stars, planets, constellations, galaxies and globular clusters.

Day 18 (Main Tour // Day 6 of Module 3)

OUDTSHOORN – CAPE TOWN

Route 62 will lead us on a picturesque road past wine farms and farm stalls to Cape Town. After Montagu we take the road via Robertson, Worcester and the Huguenot Tunnel to the "Boland" town of Paarl, named after the huge granite dome of rock overlooking the town. From here we approach the "Mother City", founded by the Dutch in 1652 as a replenishment station for weary seafarers on the spice route to the East. You will spend the next two days exploring the city and its surroundings.

Day 19 (Main Tour // Day 7 of Module 3)

CAPE PENINSULA

Today we take you on a journey past Hout Bay (where a large fleet of colourful fishing vessels enhance the bustling ambience of this attractive resort). We follow the picturesque Chapman's Peak Drive (if open to traffic) to Simon's Town, a charming little coastal town, which has been South Africa's naval base since 1814.

Optional Activity (NOT included)

A visit to the Boulder's Penguin Colony could be undertaken close-by to Simon's Town (entrance fees for your own account). The African Penguins here are remarkably untroubled by people and this is one of the only places in the world where one can actually swim amongst the penguins.

This day will not be complete without a visit to the Cape of Good Hope Nature Reserve. Sir Francis Drake called it "the fairest cape in the whole circumference of the earth". Ironically, many vessels, wrecked by the turbulent seas, have however found their last resting-place along this rocky coastline. The 7 675 hectare nature reserve (situated at the southern tip of the peninsula) is filled with priceless indigenous fauna and flora, among that 2 700 species of indigenous plants and over 250 species of birds as well as troops of baboons and many species of antelope. Conservation fees to this reserve at the most "southwesterly" point of Africa are included; all other entrance fees are for your own account.

Day 20 (Main Tour // Day 8 of Module 3)

CAPE WINELANDS

Today you will get a chance to visit one of some wine farms to taste some of South Africa's best vintages. Leave some space in your luggage, because you are sure to buy a bottle or two of your favourite year.

We will start our day by visiting Stellenbosch, the second oldest town in the country, situated in the heart of the Winelands. We continue our journey over the Hellshoogte Pass through a landscape of fruit farms, Cape Dutch houses and vineyards. In Franschoek (literally meaning "French Corner") you could visit the Huguenot Memorial, commemorating the 1688 settlement of the French Huguenots here after fleeing religious persecution in France.

Optional Activities (NOT included)

All entrance fees, wine-tastings or cellar tours will be for your own account.

DAY 21 (Main Tour // Day 9 of Module 3 // Departure Day)

CAPE TOWN – HOME

Your last day in Cape Town can be spent sightseeing or doing some optional visits before departing home. Our guide and vehicle will no longer be available, so all activities and transfers need to be undertaken by own arrangement.

Optional Activities (NOT included)

1. City Hop-on/Hop-off

Go on a guided Hop-On/Hop-Off tour in and around Cape Town on an open-top double-decker bus. Two routes cover the city as far out as the world famous Kirstenbosch Botanical Gardens and Hout Bay. You can Hop-On and Hop-Off as many times as you like at any of the bus stops on the route and see all the best sights and attractions that the city has to offer, including many of the following sights where optional visits can be done:

2. Table Mountain

To date the cableway has transported more than 18 million passengers to the summit. You have not experienced Cape Town if you have not been on top of Table Mountain. There is a restaurant and function venue on the mountain, so you can spend almost the whole day there.

3. Robben Island

For nearly 400 years, Robben Island, 12 kilometres from Cape Town, was a place of banishment, exile, isolation and imprisonment. It was here that rulers sent those they regarded as political troublemakers, social outcasts and the unwanted of society.

During the apartheid years Robben Island became internationally known for its institutional brutality. The duty of those who ran the Island and its prison was to isolate opponents of apartheid and to crush their morale. Some freedom fighters spent more than a quarter of a century in prison for their beliefs.

Those imprisoned on the Island succeeded on a psychological and political level in turning a prison nightmare into a symbol of freedom and personal liberation. Robben Island came to symbolize, not only for South Africa and the African continent, but also for the entire world, the triumph of the human spirit over enormous hardship and adversity.

4. Kirstenbosch

Kirstenbosch National Botanical Garden is world-renowned for the beauty and diversity of the Cape flora it displays and for the magnificence of its setting against the eastern slopes of Table Mountain.
